

The European School Brussels II requires a:

**Portuguese Mathematics (and Sciences teacher)
In the secondary school**

The appointment is a 2 years contract as locally recruited teacher beginning with the school year 2020-2021.

Number of periods per week: 10-14 périodes.

The candidate should be qualified for teaching mathematics in the secondary school and should be a Portuguese native speaker.

Having some scientific qualifications for teaching integrated Sciences in the lower Secondary would be an advantage.

The candidate should preferably also speak English or French.

Candidates should send their CV and copies of their teaching qualifications to the attention of Mr Joachim Schmelz, Deputy Director of the European School Brussels II by email at wol-secondaire@eursc.eu by 20/04/2020.
